Help Stop Debit Card Fraud

Over the past several years instances of fraud using stolen debit card information has been on the increase. While we have taken steps to avoid this type of fraud, Fannin Federal Credit Union has not been exempt. Many of you have experienced this first hand and while you have been inconvenienced with the loss of your card for several weeks, no member has lost any funds. We apologize for this inconvenience and are looking for ways to make issuing cards easier and safer.
