International Credit Union Day

EMPOWER YOUR FINANCIAL FUTURE WITH A CREDIT UNION

On October 20, 2022, Fannin Federal Credit Union will join over 56,000 credit unions around the world to celebrate International Credit Union (ICU) Day®.

The theme of ICU Day 2022 is

"Empower Your Financial Future with a Credit Union. "CU Day highlights the many ways that credit unions across the world help members improve their financial health and well-being. Credit unions were built on the principle of "people helping people." We've seen that philosophy in action for more than 100 years, with credit unions providing access to affordable financial products and striving to meet the needs of underserved communities. FFCU is honored to be a part of this proud tradition. FFCU invites both members and nonmembers to visit and celebrate this day.

Over the past several years instances of fraud using stolen debit card information has been on the increase. While we have taken steps to avoid this type of fraud, Fannin Federal Credit Union has not been exempt. Many of you have experienced this first hand and while you have been inconvenienced with the loss of your card for several weeks, no member has lost any funds. Remember we now have instant issue MasterCard Debit Cards.

FFCU participated in Relay for Life this year by doing two simultaneous fundraisers. From August 22nd to September 16th, we had a bake sale, as well as a concert ticket raffle. For every \$5 donated, the member was able to draw a guitar pick that was color coded to denote whether they got 1, 2, 3, or 4 tickets to put into the drawing to win tickets to see either Travis Tritt or Alabama in concert! Thanks to all of our amazing members:
