INTERNATIONAL CREDIT UNION DAY

Celebrating 75 years of International Credit Union Day!

On October 19, 2023, FFCU will join over 56,000 credit unions around the world to celebrate International Credit Union (ICU) Day®. This year marks the 75th anniversary of International Credit Union Day®

ICU Day highlights the many ways that credit unions across the world help members work towards achieving their financial goals.

Credit unions were built on the principle of “people helping people.” We’ve seen that philosophy in action for more than 100 years, with credit unions providing access to affordable financial products and striving to meet the needs of underserved communities. FFCU is honored to be a part of this proud tradition.

FFCU invites both members and nonmembers to visit us and celebrate this day. FFCU will share event highlights on social media using #ICUDay. We will have goodies in the lobby!

International Credit Union Day is brought to you by [Credit Union National Association](#) and [World Council of Credit Unions](#). This year’s event is proudly sponsored by [Elan Credit Card](#).
