

## International Credit Union Day

**Thursday**

**October 16, 2025**

### Cooperation for a Prosperous World

International Credit Union Day is an annual event to commemorate the credit union movement's impact. It is organized by the World Council of Credit Unions and this year is the 77th anniversary of ICU Day! Credit unions are

not-for-profit financial cooperatives that provide and effective and viable alternative to for-profit financial institutions. Credit unions have a "people-first" philosophy which impels us to constantly improve our community and the lives of our members. Credit Unions strive to make the world a better, more prosperous place for

their members and help them meet their financial goals. FFCU is so grateful to serve Fannin County. We hope that you will stop by the Credit Union Thursday, October 16th, we will have some goodies for all our members!

**Thank you for

## COOPERATION FOR A PROSPEROUS WORLD

03

### Fictitious website posting

Most prevalent on Facebook marketplace and 3rd party apps stating they host major vendors.

The most common type of scam. It is year round and targets indiscriminately.

Targets older and young inexperienced members hoping for a windfall

### Employment Scams

06

Too good to be true offers of payment for work done or hiring necessities. Used to cause the member to generate valid funds from fictitious sources. This leaves the member owing money to the institution.
